

To the University Community: The Center for Community Standards and Accountability (CSA) and the Office of the Associate Vice President for Equity and Title IX Officer are committed to preparing a report for the University community each summer that includes information regarding the types of cases opened and resolved as well as any sanctions imposed for violations of University policy during the prior fiscal year. We are providing our report to the University community for Academic Year 2024.

For more frequent updates regarding CSA information, please go to the CSA website under the tab “Disciplinary Data and Statistics.” That dashboard will be updated at the end of each semester.
